MANAGEMENT INFORMATION CIRCULAR

(all information is as at February 14, 2022, unless otherwise noted)

This Management Information Circular (the “Circular”) is furnished in connection with the solicitation of proxies by the management of EnWave Corporation (the “Corporation”) for use at the Annual General and Special Meeting of Shareholders (the “Meeting”) of the Corporation to be held on Tuesday, March 29, 2022 at the time and place and for the purposes set forth in the accompanying Notice of Annual General and Special Meeting of Shareholders (the “Notice”) and at any adjournments thereof. While it is expected that the solicitation will be made primarily by mail, proxies may be solicited personally or by telephone by directors, officers, employees or agents of the Corporation. All costs of this solicitation will be borne by the Corporation. The Corporation is not sending proxy-related materials using notice-and-access.

All dollar amounts referenced herein are expressed in Canadian dollars unless otherwise stated.

APPOINTMENT AND REVOCATION OF PROXIES

The individuals named in the accompanying form of proxy are directors or officers of the Corporation. A shareholder of the Corporation (a “Shareholder”) wishing to appoint some other person (who need not be a Shareholder) to attend and act for the Shareholder and on the Shareholder’s behalf at the Meeting has the right to do so, either by inserting such person’s name in the blank space provided in the form of proxy, or by completing another form of proxy. A proxy will not be valid unless the completed, dated and signed form of proxy is delivered to Computershare Investor Services Inc. (“**Computershare**”), Proxy Dept., 100 University Avenue, 9th Floor, Toronto, Ontario, M5J 2Y1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment(s) thereof. In addition, Computershare provides both telephone voting and internet voting services as described on the form of proxy itself which contains complete instructions.

A Shareholder who has given a proxy may revoke it by an instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing or, if the Shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered to the registered office of the Corporation at 1000 Cathedral Place - 925 West Georgia Street, Vancouver, British Columbia, Canada V6C 3L2 at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) thereof or provided at the Meeting to the Chair of the Meeting. **Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders (as defined below) who wish to change their vote must, in sufficient time before the Meeting, arrange for their respective Intermediaries (as defined below) to revoke the proxy on their behalf.**

A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

SPECIAL INSTRUCTIONS FOR VOTING BY NON-REGISTERED HOLDERS

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Many Shareholders are “non-registered” Shareholders because the shares of the Corporation they own are not registered in their names but are instead registered in the name of an Intermediary (as defined below) through which they hold the shares. More particularly, a person is not a registered Shareholder in respect of shares which are held on behalf of that person (the “**Non-Registered Holder**”) but which are registered either: (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares (Intermediaries include, among others, banks, trust

companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (“**CDS**”)) of which the Intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS, which acts as nominee for many Canadian brokerage firms. Shares so held by brokers or their nominees can only be voted (for or against resolutions) upon the instructions of the Non-Registered Holder. Without specific instructions, Intermediaries are prohibited from voting shares held for Non-Registered Holders.

There are two categories of Non-Registered Holders: (a) those who object to their name being made known to the issuer of securities which they own (called “**OBOs**” for Objecting Beneficial Owners), and (b) those who do not object to the issuer of the securities they own knowing who they are (called “**NOBOs**” for Non-Objecting Beneficial Owners).

Non-Objecting Beneficial Owners

The Corporation has decided to take advantage of those provisions of National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* of the Canadian Securities Administrators (“**NI 54-101**”) that permit it to directly deliver proxy-related materials to NOBOs who have not waived the right to receive them. As a result, NOBOs can expect to receive a scannable Voting Instruction Form (“**VIF**”) together with the Notice, this Circular and related documents from our transfer agent, Computershare. These VIFs are to be completed and returned to Computershare in the envelope provided or by facsimile. In addition, Computershare provides both telephone voting and internet voting services as described in the VIF. In that regard, Computershare is required to follow the voting instructions properly received from NOBOs. Computershare will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the shares represented by the VIFs they receive. **NOBOs should carefully follow the instructions of Computershare, including those regarding when and where the completed VIFs are to be returned to Computershare.**

Should a NOBO wish to attend and vote at the Meeting, the NOBO must insert the NOBO’s name (or such other person as the NOBO wishes to attend and vote on the NOBO’s behalf) in the blank space provided for that purpose on the VIF and return the completed VIF in line with the instructions provided or the NOBO must submit to the Corporation any other document in writing that requests that the NOBO or a nominee of the NOBO be appointed as proxyholder. In such circumstances, with respect to proxies held by management in respect of securities owned by the NOBO so requesting, the Corporation must arrange, without expense to the NOBO, to appoint the NOBO or a nominee of the NOBO as a proxyholder in respect of those securities. Under NI 54-101, if the Corporation appoints a NOBO or a nominee of the NOBO as a proxyholder as aforesaid, the NOBO or nominee of the NOBO, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of management in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless corporate law does not permit the giving of that authority. Pursuant to NI 54-101, if the Corporation appoints a NOBO or its nominee as proxyholder as aforesaid, the Corporation must deposit the proxy within the timeframe specified above for the deposit of proxies if the Corporation obtains the instructions at least one (1) business day before the termination of that time.

These securityholder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding the securities on your behalf.

By choosing to send these materials to you directly, the Corporation (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

NOBOs that wish to change their vote must, in sufficient time in advance of the Meeting, contact Computershare to arrange to change their vote.

Objecting Beneficial Owners

In accordance with the requirements of NI 54-101, we have distributed copies of the Notice, this Circular and related documents (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for onward distribution to OBOs. Intermediaries are required to forward the Meeting Materials to OBOs unless the OBO has waived the right to receive them. Very often, Intermediaries will use service companies to forward the Meeting Materials to OBOs. With those Meeting Materials, Intermediaries or their service companies should provide OBOs of shares with a “request for voting instruction form” which, when properly completed and signed by such OBO and **returned to the Intermediary or its service company**, will constitute voting instructions which the Intermediary must follow. The purpose of this procedure is to permit OBOs of shares to direct the voting of the shares that they beneficially own. The Corporation will pay for the distribution of the Meeting Materials by clearing agencies and intermediaries to OBOs.

Should an OBO wish to attend and vote at the Meeting, the OBO must insert the OBO’s name (or such other person as the OBO wishes to attend and vote on the OBO’s behalf) in the blank space provided for that purpose on the request for voting instruction form and return the completed request for voting instruction form to the Intermediary or its service provider or the OBO must submit, to their Intermediary, any other document in writing that requests that the OBO or a nominee of the OBO be appointed as proxyholder. In such circumstances, an Intermediary who is the registered holder of, or holds a proxy in respect of, securities owned by an OBO is required under NI 54-101 to arrange, without expense to the OBO, to appoint the OBO or a nominee of the OBO as a proxyholder in respect of those securities. Under NI 54-101, if an Intermediary appoints an OBO or the nominee of the OBO as a proxyholder as aforesaid, the OBO or nominee of the OBO, as applicable, must be given the authority to attend, vote and otherwise act for and on behalf of the Intermediary, in respect of all matters that may come before the Meeting and any adjournment or continuance thereof, unless corporate law does not permit the giving of that authority. Pursuant to NI 54-101 an Intermediary who appoints an OBO or its nominee as proxyholder as aforesaid is required under NI 54-101 to deposit the proxy within the timeframe specified above for the deposit of proxies if the Intermediary obtains the instructions at least one (1) business day before the termination of that time.

OBOs should carefully follow the instructions of their Intermediary, including those regarding when and where the completed request for voting instructions is to be delivered.

OBOs of shares who wish to change their vote must, in sufficient time in advance of the Meeting, arrange with their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set out above.

VOTING OF PROXIES AND EXERCISE OF DISCRETION

A Shareholder may indicate the manner in which the persons named in the accompanying form of proxy or VIF are to vote with respect to a matter to be acted upon at the Meeting by marking the appropriate space. **If the instructions as to voting indicated in the proxy or VIF are certain, the shares represented by the proxy or VIF will be voted or withheld from voting in accordance with the instructions given in the proxy or VIF. The shares represented by the proxy or VIF will be voted or withheld from voting in accordance with the instructions of the Shareholder on any ballot that may be called for, and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. If no choice is specified in the proxy or VIF with respect to a matter to be acted upon, the proxy or VIF confers discretionary authority with respect to that matter upon the proxyholder named in the accompanying form of proxy or VIF. It is intended that the proxyholder named by management in the accompanying form of proxy and VIF will vote the shares represented by the proxy and VIF in favour of each matter identified in the proxy and VIF and for the nominees of the Corporation’s Board of Directors (the “Board of Directors” or “Board”) for directors and the auditor.**

The accompanying form of proxy and VIF also confers discretionary authority upon the named proxyholder with respect to amendments or variations to the matters identified in the accompanying Notice and with respect to any other matters which may properly come before the Meeting. As of the date of this Circular, management of the Corporation is not aware of any such amendments or variations, or any other matters that will be presented for action at the Meeting other than those referred to in the accompanying Notice of Meeting. If, however, other matters that are not now known to management properly come before the Meeting, then the persons named in the accompanying form of proxy and VIF intend to vote on them in accordance with their best judgment.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The authorized share structure of the Corporation consists of an unlimited number of common shares (the “**Common Shares**”) and an unlimited number of preferred shares. As at the date of this Circular, **110,380,055** Common Shares were issued and outstanding, each such Common Share carrying the right to one vote at the Meeting. No preferred shares were issued and outstanding. The Corporation has no other classes of voting securities. The close of business on **February 14, 2022** has been fixed by the directors of the Corporation as the record date for the purpose of determining those Shareholders entitled to receive notice of and to vote at the Meeting.

The Common Shares are listed on the TSX Venture Exchange (the “**TSXV**”).

To the knowledge of the directors and executive officers of the Corporation, as of the date hereof, no person or company beneficially owns, or controls or directs, directly or indirectly, voting securities of the Corporation carrying 10% or more of the voting rights attached to any class of voting securities of the Corporation.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected until all such vacancies have been filled. If the number of nominees for election is equal to the number of vacancies to be filled all such nominees will be declared elected.

RECEIPT OF FINANCIAL STATEMENTS

The audited consolidated financial statements of the Corporation for the fiscal year ended September 30, 2021 and accompanying auditor's report will be presented at the Meeting.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The Corporation's *Independence Committee* (“**Independence Committee**”) is mandated to oversee the administration of the Corporation's compensation plans, including its stock option plan and its restricted share plan, in light of the corporate goals and objectives. The *Independence Committee* is presently comprised of Mr. Stephen Sanford, Ms. Mary Ritchie, Dr. Stewart Ritchie, Mr. Patrick Turpin and Mr. Pablo Cussatti, all of whom are independent. The *Independence Committee* meets at least once a year to review compensation policies relating to the Corporation and its subsidiaries and to approve and recommend to the Board specific compensation awards and benefits. The *Independence Committee* monitors levels of executive remuneration to ensure overall compensation reflects the Corporation's objectives and philosophies and meets the Corporation's desired relative compensation position. The key components comprising the Corporation's executive officer compensation may include base salary and bonus (short-term incentives) and participation in the Corporation's stock option plan and restricted share plan (long-term incentives). The Corporation established these components for its executive compensation package because it believed that a competitive base salary and bonus may be required to retain key executives and participation in the Corporation's stock option plan and restricted share plan enables the Corporation's executive officers to participate in the long-term success of the Corporation and aligns their interests with those of the Shareholders. Ms. Ritchie, Dr. Ritchie, and Mr. Sanford are also members of the Corporation's *Audit Committee* (“**Audit Committee**”) and information concerning their skills and experience relevant to

their responsibilities as members of this committee is detailed later in this Circular under “AUDIT COMMITTEE AND RELATIONSHIP WITH AUDITOR – *Relevant Education and Experience*”.

Base Salary and Bonus

The base salaries (and bonus, if any) of the Corporation's executive officers are set by the Board, based on recommendations from the *Independence Committee*. Executive officers who are also directors of the Corporation abstain from voting on their proposed base salaries and/or bonuses. Base salaries (and bonuses, if any) of the Corporation's executive officers are determined through the annual assessment of each individual's performance (as described in more detail below) and other factors the *Independence Committee* considers to be relevant, including prevailing industry demand for personnel having comparable skills and performing similar duties, the compensation the individual could reasonably expect to receive from a competitor, the Corporation's ability to pay and cost of living factors.

The target amount for the annual performance bonus in each financial year for the Chief Executive Officer (“**CEO**”) and Chief Financial Officer (“**CFO**”) is 50% of their base salary (the “**Target Amount**”), as recommended by the *Independence Committee*. For the CEO and CFO, the *Independence Committee* assesses the individual's performance in conjunction with the Corporation's performance and makes a bonus recommendation for the year. The actual amount of such bonuses is based on the *Independence Committee*'s assessment of the individual's contributions, the economic factors pertaining to the Corporation and the performance of the Corporation as a whole. If the executives exceed the performance targets established by the *Independence Committee*, the amount of bonus awarded may exceed the Target Amount. The bonuses are paid at the end of the calendar year.

Mr. Brent Charleton became the Corporation's President and CEO in August 2018. In the case of Mr. Charleton, the *Independence Committee*'s assessment includes consideration for key performance indicators (“**KPIs**”) established by the *Independence Committee* and corporate achievements in the Corporation's most recently completed financial year. The KPIs established by the *Independence Committee* include annual revenue and EBITDA targets for EnWave and commercialization targets related to Radiant Energy Vacuum (“**REV**”) including the signing of new commercial royalty-bearing licenses, execution of manufacturing orders, and advancing the Corporation's ability to commercially manufacture REV™ machines for sale. Mr. Charleton was awarded a bonus of \$276,457 (representing 185% of his proposed target bonus or 92% of his base annual salary in place at the time of the payment of the bonus) for the Corporation's most recently completed financial year. This bonus was based upon the achievements of Mr. Charleton and the Corporation in the financial year, resulting in the surpassing of certain KPIs established by the *Independence Committee*, including the EnWave business unit EBITDA and the number of commercial royalty-bearing licenses signed.

Mr. John Budreski became the Corporation's Executive Chairman in June 2014. Mr. Budreski is an employee of the Corporation and is paid an annual salary of \$107,500 per year, exclusive of any bonuses, stock-based or other compensation. In the case of Mr. Budreski, the *Independence Committee*'s assessment includes consideration for factors and corporate achievements in the Corporation's most recently completed financial year. The factors include development of the Corporation's short-term and long-term strategies, corporate development, evaluation, staffing and management of executive officers, financing and investor relations. The *Independence Committee* has not established a target bonus percentage for Mr. Budreski based on his base salary, but may award Mr. Budreski a discretionary annual bonus. Mr. Budreski was awarded a bonus of \$138,229 for the most recently completed financial year.

Mr. Dan Henriques became the Corporation's CFO in September 2015. In the case of Mr. Henriques, the *Independence Committee*'s assessment includes consideration for KPIs established by the *Independence Committee* and corporate achievements in the Corporation's most recently completed financial year. The KPIs established by the *Independence Committee* include annual revenue and EBITDA targets for EnWave and commercialization targets for REV including the signing of new commercial royalty bearing licenses, execution of manufacturing orders, and advancing the Corporation's ability to commercially manufacture REV™ machines for sale. Mr. Henriques bonus was also based on the *Independence Committee*'s assessment of his contributions with respect to the timely completion of the Corporation's annual financial

statements and management discussion and analysis, improvements to accounting and administration, financing activities, and the management of the annual audit. Mr. Henriques was awarded a bonus of \$270,938 (representing 181% of his proposed maximum bonus or 91% of his base annual salary in place at the time of the payment of the bonus) for the most recently completed financial year. This bonus was based upon the achievements of Mr. Henriques and the Corporation in the financial year, resulting in the surpassing of certain KPIs established by the *Independence Committee*, including the EnWave business unit EBITDA and the number of commercial royalty-bearing licenses signed.

Mr. Brad Lahrman became the CEO of the Corporation's wholly-owned subsidiary, NutraDried Food Company, LLC ("**NutraDried**"), in June 2021 and he reports directly to Mr. Charleton, the Corporation's CEO. In the case of Mr. Lahrman, he is eligible to receive an annual bonus in the amount of 10% of NutraDried's EBITDA for the fiscal year ended September 30, 2021 and for the fiscal year ending September 30, 2022. In special circumstances, Mr. Lahrman's annual bonus can be adjusted at the discretion of the Corporation's CEO. Although Mr. Lahrman did not contractually qualify for a bonus in 2021, as a good faith gesture and in recognition of his contributions in the year, Mr. Lahrman was awarded a performance bonus of \$18,963 (US \$15,000) for the Corporation's most recently completed financial year.

Lane Caputo Consulting Inc. ("**Caputo**") was retained in December 2019, to provide a report to assist the Corporation in the review of compensation arrangements for its executive team and non-executive directors by benchmarking the Corporation's compensation practices at that time against a group of peer companies reflecting the Corporation's size and stage of development. The Caputo report highlighted any changes required to align pay elements and/or strategy with both current market practices and the Corporation's business strategy. Caputo presented the Corporation with market data on executive competitiveness, commented on various incentive design and governance related trends including performance metrics and supported the *Independence Committee* in conducting its compensation program risk assessment. The *Independence Committee* considered the data and advice of Caputo, as well as many other factors. Ultimately, all decisions and recommendations made by the *Independence Committee* to the Board are their own. There has been no defined benchmark of companies that the Corporation referred to in setting its current base salaries and bonuses.

Stock Options

The Corporation provides long-term incentives to its executive officers by way of stock option grants. Stock options are granted to reward individuals for current performance, expected future performance and to align the long-term interests of the Corporation's executive officers with those of the Shareholders. The Corporation's stock option plan ("**Stock Option Plan**") (summarized under the heading "*Incentive Plan Awards – Stock Option Plan*" below) is administered by the Board based, in part, upon recommendations of the *Independence Committee*. The Stock Option Plan is designed to give to directors, officers, employees and consultants of the Corporation and its affiliates, as additional compensation, the opportunity to participate in the profitability of the Corporation by granting to such individuals options to buy shares of the Corporation. The Stock Option Plan also enables the Corporation to attract and retain individuals with experience and ability, and to reward such individuals for current performance and expected future performance. The Board, based, in part, upon recommendations of the *Independence Committee*, considers the amount and terms of previously granted stock options when reviewing executive officer compensation packages as a whole and determining any new stock option grants. Executive officers who are also directors of the Corporation abstain from voting on their proposed stock option grants. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter.

The Board determines, upon the recommendations of the *Independence Committee*, the key employees and service providers to whom grants are to be made and determines the terms and conditions of the options forming part of such grants. Individual grants are determined by an assessment of an individual's current and expected future performance, level of responsibilities and the importance of the position to the Corporation.

The number of stock options granted to executive officers for the Corporation's most recently completed financial year was based on the individual's performance and the number and exercise price of options previously issued to the individual.

The Black-Scholes option pricing model has been used to assess the fair value of the stock options.

Please also refer to the section entitled “Annual Approval of Stock Option Plan” under “PARTICULARS OF MATTERS TO BE ACTED UPON” in this Circular for additional details concerning the Stock Option Plan.

Restricted Share Rights

The Corporation also provides long-term incentives to its executive officers by way of the award of Restricted Share Rights (“RSRs” or “**Restricted Share Rights**”) under the Corporation’s restricted share plan (“**Restricted Share Plan**”). The Restricted Share Plan (summarized under the heading “*Incentive Plan Awards – Restricted Share Plan*” below) provides that RSRs may be granted to employees, officers, directors, management company employees and consultants of the Corporation as a discretionary payment in consideration of current performance and expected future performance. The purpose of the Restricted Share Plan is to advance the interests of the Corporation through the motivation, attraction and retention of key persons and to secure for the Corporation and the Shareholders the benefits inherent with the retention of such persons. Each RSR entitles the holder to receive one fully paid Common Share without payment of additional consideration upon vesting of the RSR.

The Board determines, upon the recommendations of the *Independence Committee*, the key employees, officers, directors, management company employees and consultants to whom RSR grants are to be made and determines the terms and conditions of the RSRs granted. Individual grants are determined by an assessment of an individual’s current and expected future performance, level of responsibilities and the importance of the position to the Corporation. Consideration is also given to the individual’s past impact on or contribution to, and/or the individual’s ability in the future to have an impact on or contribute to the long-term performance of the Corporation, as well as the number of RSRs previously granted to the individual. The *Independence Committee* will take into consideration other forms of long-term incentive compensation for the individual, including stock options, when determining the elements of an individual’s compensation.

Compensation Risk Assessment and Governance

The *Independence Committee* has considered the implications of the risks associated with the Corporation’s compensation program and has determined that the compensation program does not encourage the Named Executive Officers or directors of the Corporation to take inappropriate or excessive risks. As discussed above, the committee follows an overall compensation model which ensures that an adequate portion of overall compensation for the Named Executive Officers is “at risk” and only realized through the performance of the Corporation over both the short-term and long-term. Short-term incentive structures (i.e. annual performance based cash incentives) are designed to include multiple elements so as to mitigate the risk of maximizing one component at the expense of another. Long-term components, such as the grant of stock options or RSRs, are subject to vesting periods, thus reducing incentives on the part of executives to engage in any imprudent short-term risks. The realization of value from the long-term incentive component of the executive compensation program is entirely dependent upon long-term appreciation in Shareholder value. There are no risks which have been identified in the Corporation’s compensation policies or practices that would reasonably be likely to have a material adverse effect on the Corporation. The *Independence Committee* will continue to monitor compensation governance and risk assessment practices on an ongoing basis to ensure that the Corporation’s compensation program is appropriately structured.

The Corporation does not permit its executive officers or directors to hedge any of the equity compensation granted to them.

Other Long-term Incentives

The Corporation currently does not provide a pension plan to its executive officers, nor does it have any long-term incentives other than those previously described.

Chief Executive Officer Compensation

For the most recently completed financial year, the compensation of the CEO consisted of an annual base salary and bonus, all determined in the manner described above. The CEO participated in discussions and reviews relating to executive compensation for other executive officers, but did not participate in the discussions and reviews relating to his own compensation.

Summary Compensation Table

The following table sets forth all annual and long-term compensation for services in all capacities to the Corporation for the two most recently completed financial years of the Corporation, being the periods ended September 30, 2021 and September 30, 2020, in respect of each of the following executive officers of the Corporation:

- (a) the CEO;
- (b) the CFO;
- (c) the Corporation's (including any of its subsidiaries) most highly compensated executive officer, other than the CEO and CFO, who was serving as executive officer or acting in a similar capacity and whose total compensation was in excess of \$150,000 as at the end of the most recently completed financial year; and
- (d) each individual for whom disclosure would have been provided under (c) but for the fact that the individual was neither serving as an executive officer of the Corporation (including its subsidiaries), nor acting in a similar capacity, at the end of the most recently completed financial year

(collectively the "Named Executive Officers" or "NEOs").

Incentive Plan Awards

Stock Option Plan

The Stock Option Plan dated for reference January 24, 2012, was last approved by Shareholders on March 19, 2021, and, under TSXV policies, must be approved and ratified by the Shareholders on an annual basis (please see "*PARTICULARS OF MATTERS TO BE ACTED UPON – Annual Approval of Stock Option Plan*" in this Circular). Effective February 9, 2021, the Board made certain minor housekeeping amendments to the Stock Option Plan which did not require Shareholder approval. These housekeeping amendments are in accordance with TSXV guidelines and did not require TSXV approval.

The purpose of the Stock Option Plan is to advance the interests of the Corporation by encouraging equity participation in the Corporation through the acquisition of Common Shares by directors, officers, employees and consultants of the Corporation ("**Service Providers**"). Below is a summary of the Stock Option Plan.

Number of Shares Reserved for Issuance

The maximum aggregate number of Common Shares which may be issuable under the Stock Option Plan, together with all of the Corporation's other previously established or proposed share compensation arrangements, shall not exceed 10% of the Corporation's issued and outstanding Common Shares as at the date of grant. In the event an option granted under the Stock Option Plan expires unexercised or is terminated by reason of dismissal of the optionee for cause or is otherwise lawfully cancelled prior to exercise of the option, the Common Shares that were issuable thereunder will be returned to the Stock Option Plan and will be eligible for re-issuance.

Restrictions

The following restrictions on issuances of options are applicable under the Stock Option Plan:

- (a) no Service Provider can be granted an option if that option would result in the total number of options, together with all other share compensation arrangements granted to such Service Provider in the previous 12 months, exceeding 5% of the outstanding number of Common Shares (unless the Corporation has obtained disinterested Shareholder approval to do so);
- (b) no options can be granted under the Plan if the Corporation is on notice from the TSXV to transfer its listed shares to the NEX;

- (c) the aggregate number of options granted to Service Providers conducting investor relations activities in any 12-month period cannot exceed 2% of the outstanding number of Common Shares, calculated at the time of grant, without the prior consent of the TSXV; and
- (d) the aggregate number of options granted to any one consultant in any 12-month period cannot exceed 2% of the outstanding number of Common Shares, calculated at the time of grant, without the prior consent of the TSXV.

Amendments to the Plan

Subject to the requirements of the policies of the TSXV and the prior receipt of any necessary regulatory approval, the Board may in its absolute discretion, amend or modify the Stock Option Plan or any option granted as follows:

- (a) it may make amendments which are of a typographical, grammatical or clerical nature only;
- (b) it may change the vesting provisions of an option;
- (c) it may change the termination provision of an option which does not entail an extension beyond the original expiry date of such option;
- (d) it may make amendments necessary as a result in changes in securities laws applicable to the Corporation;
- (e) if the Corporation becomes listed or quoted on a stock exchange or stock market senior to the TSXV, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (f) it may amend the Stock Option Plan (except for previously granted and outstanding options) to reduce the benefits that may be granted to Service Providers (before a particular option is granted) subject to the other terms thereof.

Amendments Requiring Disinterested Shareholder Approval

Under the terms of the Stock Option Plan, the Corporation shall obtain disinterested Shareholder approval prior to any of the following actions becoming effective:

- (a) the Stock Option Plan, together with all of the Corporation's other share compensation arrangements, could result at any time in:
 - (i) the aggregate number of Common Shares reserved for issuance under options granted to insiders exceeding 10% of the outstanding number of Common Shares;
 - (ii) the number of Common Shares issuable upon exercise of options to insiders within a one-year period exceeding 10% of the outstanding number of Common Shares; or
 - (iii) the issuance to any one optionee, within a 12-month period, of a number of Common Shares exceeding 5% of the outstanding number of Common Shares; or
- (b) any reduction in the exercise price of an option previously granted to an insider.

Exercise Price

The exercise price of an option will be set by the Board on the date of grant and such exercise price cannot be less than the "Discounted Market Price" (within the meaning of the policies of the TSXV).

Term

An option can be exercisable for a maximum of 10 years from the date of grant or five years from the date of grant where the Corporation is classified as a NEX Issuer.

Vesting

The vesting period of options shall be at the discretion of the Board, and will generally be subject to: (a) the Service Provider remaining employed by or continuing to provide services to the Corporation or any of its affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Corporation or any of its affiliates during the vesting period; or (b) the Service Provider remaining as a director of the Corporation or any of its affiliates during the vesting period.

Notwithstanding the foregoing, options granted to consultants conducting investor relations activities will vest: (a) over a period of not less than 12 months as to 25% on the date that is three months from the date of grant, and a further 25% on each successive date that is three months from the date of the previous vesting; or (b) such longer vesting period as the Board may determine.

In the Event of a Takeover Bid

If a takeover bid is made to the Shareholders generally then the Corporation shall, immediately upon receipt of notice of the takeover bid, notify each optionee currently holding an option of the takeover bid, with full particulars thereof whereupon such option may, subject to receipt of regulatory approval, be immediately exercised in whole or in part by the optionee.

Blackout Periods

Should the expiry date for an option fall within a blackout period, or within nine business days following the expiration of a blackout period, such expiry date shall be automatically extended without any further act or formality to that day which is the tenth business day after the end of the blackout period.

Optionee ceasing to be Director, Employee or Service Provider

No option may be exercised after the earlier of the date the Service Provider has left his employ/office and the date that the Service Provider has been advised by the Corporation that his services are no longer required or his service contract has expired (the "**Termination Date**"), except as follows:

- (a) in the case of the death of an optionee, any vested option held by him at the date of death will become exercisable by the optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such optionee and the date of expiration of the term otherwise applicable to such option;
- (b) an option granted to any Service Provider (other than a Service Provider conducting investor relations activities) will expire upon the earlier of the original expiry date and 90 days after the Termination Date, but only to the extent that such option has vested as at the Termination Date;
- (c) options granted to a Service Provider conducting investor relations activities will expire upon the earlier of the original expiry date and 30 days after the Terminate Date, but only to the extent that such option has vested as at the Termination Date; and
- (d) the case of an optionee being dismissed from employment or service for cause, such optionee's options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

Non Assignable

All options granted under the Stock Option Plan are exercisable only by the optionee to whom they are granted and are not assignable or transferable.

Hold Periods

Share certificates issued in connection with the exercise of options will bear a legend stipulating that the Common Shares are subject to a four-month TSXV hold period commencing the date of grant of the option if: (i) the exercise price is set below the then current market price of the Common Shares on the TSXV; or (ii) the optionee is an insider.

The final version of the amended Stock Option Plan containing the housekeeping amendments made in early 2021 was filed on February 16, 2021 and is available under the Corporation's profile on SEDAR at www.sedar.com

Restricted Share Plan

On February 13, 2015, the Board approved the adoption of the Restricted Share Plan, which received initial Shareholder approval on March 23, 2015. The Restricted Share Plan was subsequently amended by the Board in 2020, which amendments were approved by Shareholders on March 20, 2020. The Board made certain housekeeping amendments to the Restricted Share Plan in February 2021 which did not require Shareholder approval. These housekeeping amendments are in accordance with TSXV guidelines and received the approval of the TSXV on February 8, 2021.

The purpose of the adoption of the Restricted Share Plan was to have a wide range of incentive plans, including a restricted share rights plan available to attract, retain and motivate officers, directors, employees, management company employees and consultants of the Corporation.

The Restricted Share Plan provides that RSRs may be granted by a committee (as defined in the Restricted Share Plan) (the "**Committee**") which administers the Restricted Share Plan to employees, officers, directors, management company employees and consultants of the Corporation as a discretionary payment in consideration of past services to the Corporation.

Pursuant to the terms of the Restricted Share Plan approved in 2020, the aggregate maximum number of Common Shares reserved for issuance under the Restricted Share Plan from treasury:

- (a) shall not exceed **1,895,000** Common Shares; and
- (b) to any one Participant (as defined in the Restricted Share Plan) within a 12-month period shall not exceed **500,000** Common Shares.

Pursuant to TSXV guidelines, any Common Shares subject to a Restricted Share Right which have been awarded under the Restricted Share Plan and which have been cancelled or terminated in accordance with the terms of the Restricted Share Plan without the applicable Restricted Period(s) having expired will again be available for issuance under the Restricted Share Plan.

In addition, the number of Common Shares which may be issuable under the Restricted Share Plan and all of the Corporation's other previously established or proposed share compensation arrangements, within a 12-month period:

- (a) to any one Participant (and companies wholly owned by that Participant) shall not exceed 5% of the total number of issued and outstanding Common Shares on the date of the grant on a non-diluted basis;
- (b) to Insiders (as defined in the Restricted Share Plan) (as a group) shall not exceed 10% of the total number of issued and outstanding Common Shares, calculated on the date of the grant on a non-diluted basis;

- (c) to any one Eligible Contractor (as defined in the Restricted Share Plan) shall not exceed 2% in the aggregate of the total number of issued and outstanding Common Shares, calculated on the date of the grant on a non-diluted basis; and
- (d) to all Eligible Employees or Eligible Contractors (as defined in the Restricted Share Plan) conducting Investor Relations Activities (as defined in the TSXV policies) shall not exceed 2% in the aggregate of the total number of issued and outstanding Common Shares, calculated on the date of the grant on a non-diluted basis (kindly note that the TSXV has advised the Corporation that it does not permit the award of Restricted Share Rights to persons conducting Investor Relations Activities and, accordingly, the Board has approved a housekeeping amendment to the Restricted Share Plan to remove this particular provision from the plan, as discussed in this Circular under the section "*Particulars of Matters to be Acted Upon – Approval of Amendments to Restricted Share Plan*").

Each RSR entitles the holder to receive one fully paid Common Share without payment of additional consideration on the later of: (i) the end of a restricted period of time wherein a RSR cannot be exercised as determined by the Committee ("**Restricted Period**"); and (ii) a date determined by an eligible Participant that is after the Restricted Period and before a Participant's retirement date or termination date (a "**Deferred Payment Date**").

Under the Restricted Share Plan, the Board may from time to time amend or revise the terms of the Restricted Share Plan or may discontinue the Restricted Share Plan at any time. Subject to receipt of requisite Shareholder and regulatory approval, the Board may make amendments to the Restricted Share Plan to (a) materially increase the benefits under the Restricted Share Plan; (b) increase the maximum number of Common Shares issuable under the Restricted Share Plan; and (c) materially modify the requirements as to eligibility for participation in the Restricted Share Plan. All other amendments to the Restricted Share Plan may be made by the Board without obtaining Shareholder approval, such amendments including an amendment to the restricted period of a RSR or an amendment to the termination provisions of a RSR.

Except as otherwise may be expressly provided for under the Restricted Share Plan, or pursuant to a will or by the laws of descent and distribution, no RSR and no other right or interest of a Participant is assignable or transferable.

Canadian Participants seeking to set a Deferred Payment Date (as defined in the Restricted Share Plan) must give the Corporation at least 30 days' written notice prior to the expiration of the applicable Restricted Period in order to effect such a change.

In the event of a Participant's retirement or termination during a Restricted Period, any RSR held by the Participant will automatically immediately terminate, unless otherwise determined by the Committee. In the event of the retirement or termination of a Participant after a Restricted Period and, if applicable, prior to any Deferred Payment Date, the Corporation will forthwith issue the Restricted Shares in accordance with the RSRs held by the Participant and any dividends declared but unpaid to the Participant. In the event of death or total disability of a Participant, the Corporation will forthwith issue the Restricted Shares in accordance with the RSRs held by the Participant. In the event of a Change of Control (as defined in the Restricted Share Plan), all RSRs held by a Participant will be immediately deemed vested notwithstanding any Restricted Period(s) and any applicable Deferred Payment Date(s).

Subject to the absolute discretion of the Committee, the Committee may determine to pay Participants cash equal to any cash dividends declared on Common Shares that would be payable on Restricted Shares issuable in accordance with the Restricted Share Rights for which the Restricted Period has not expired in the manner and at the time such dividends are ordinarily paid to holders of Common Shares. The Corporation shall pay Participants cash equal to any cash dividends declared and paid on Common Shares that would be payable on Restricted Shares after the applicable Restricted Period, if the Deferred Payment Date has not occurred, in the manner and at the time such dividends are ordinarily paid to holders of Common Shares.

The maximum number of Common Shares which may be made subject to (a) RSRs under the Restricted Share Plan, and (b) stock options under the Stock Option Plan, together may not exceed 10% (on a rolling basis) of the Corporation's issued and outstanding Common Shares from time to time (on a non-diluted basis). As discussed above, the aggregate maximum number of Common Shares which may be reserved for issuance from treasury pursuant to the Restricted Share Plan approved in 2020, is **1,895,000**, representing approximately **1.7%** of the Corporation's current issued and outstanding Common Shares. The number of RSRs that are awarded pursuant to the Restricted Share Plan from time to time are deducted from this 1,895,000 ceiling, thus reducing the amount of future RSRs eligible for award. It is important to note that, after a RSR vests and is converted into a Common Share, there is no replenishment of the initial limit of RSRs reserved under the 1,895,000 ceiling.

As of the date of this Circular, **815,000** RSRs are outstanding under the Restricted Share Plan (representing approximately **0.74%** of the Corporation's current issued and outstanding Common Shares). A total of **680,000** Common Shares have been issued upon vesting of RSRs at the end of applicable Restricted Periods and now form part of the issued and outstanding Common Share count of the Corporation. A total of **175,000** RSRs have terminated without having vested (which made such number available for re-grant under the Restricted Share Plan). As a result, the Corporation currently has **400,000** RSRs (representing approximately **0.36%** of the current issued and outstanding Shares) available for the award of new RSRs.

The Corporation uses RSRs as part of its compensation program for the independent directors of the Corporation. Each independent director who chairs a Board committee receives an annual award of 25,000 RSRs as compensation for their services. If an independent director is on the Board but does not chair a Board committee, that director receives an annual award of 20,000 RSRs as compensation for their services. From time to time, the Board may also award additional RSRs to an independent director for leading additional special projects or initiatives.

A copy of the version of the amended Restricted Share Plan approved by the Shareholders in 2020 is available under the Corporation's profile on SEDAR at www.sedar.com. The final version of the Restricted Share Plan amended in early 2021 containing the housekeeping amendments as approved by the TSXV was filed on February 16, 2021 and is also available under the Corporation's profile on SEDAR at www.sedar.com.

These stock options have not been, and may never be, exercised and actual gains, if any, on exercise will depend on the value of the Corporation's Common Shares on the date of exercise.
- (2) This column reflects Restricted Share Rights for which the restricted periods had not yet expired (and had not been deferred) as of September 30, 2021 and, as such, these Restricted Share Rights remain unvested.
- (3) The figures in this column are calculated using the closing price of the Common Shares on the TSXV on September 30, 2021, of \$1.14.
- (4) This column reflects the value of RSRs for which restricted periods were scheduled to expire during 2021 where, in accordance with the terms of the plan, the recipient has irrevocably elected to postpone the expiry of the applicable restricted period and thus defer vesting and receipt of their entitlement to receive such RSRs (and accordingly, the underlying Common Shares) to a later date beyond September 30, 2021 as follows:

Mr. Budreski elected to defer receipt of an aggregate of 35,000 RSRs for which the restricted period was scheduled to expire in April 2021 until a date in April 2022.

Mr. Charleton elected to defer an aggregate of 105,000 RSRs for which the restricted period was scheduled to expire in between April and September 2021 until a date in December 2021.

Notes:

- (1) This amount is the dollar value that would have been realized if the stock options had been exercised on their respective vesting dates, computed by obtaining the difference between the market price of the underlying securities at exercise and the exercise or base price of the stock options under the option-based award on the vesting date.
- (2) This column does not include the value of RSRs for which restricted periods were scheduled to expire during the financial year where, in accordance with the terms of the plan, the recipient irrevocably elected to postpone the expiry of the applicable restricted periods and thus deferred receipt of their entitlement to receive such RSRs (and accordingly, the underlying Common Shares) to a later date beyond September 30, 2021. Please refer to footnote (4) to the "Outstanding Share-Based Awards and Option-Based Awards" table above for details of deferral elections by Named Executive Officers during the financial year ended September 30, 2021.
- (3) This amount is the deemed dollar value realized by the NEO upon vesting of RSRs during 2021 (excluding any deferred awards), calculated by multiplying the number of underlying Common Shares received by the NEO by the closing price of the Common Shares on the TSXV on the date of issuance of such Common Shares.
- (4) Mr. Lahrman became NutraDried's CEO on June 7, 2021.
- (5) Mr. Pytlinski became NutraDried's CEO on September 4, 2018 and ceased as NutraDried's CEO on February 16, 2021.

Agreement with Brad Lahrman (NutraDried Chief Executive Officer)

Pursuant to an employment contract dated April 28, 2021 between the Corporation and Brad Lahrman, the Corporation agreed to pay Mr. Lahrman a base salary of US\$260,000 per annum, exclusive of any bonuses, stock-based and other compensation. Pursuant to the terms of the contract, in the case of a change of control (as defined in the agreement) of the Corporation or of NutraDried, the Corporation will pay Mr. Lahrman an amount equal to his annualized base salary paid to him at the time the change of control has occurred. All equity or equity-based compensation received by Mr. Lahrman and held by him immediately prior to termination or election upon a change of control shall fully vest, if not already vested, and shall be exercisable by Mr. Lahrman following such termination or election, as the case may be, in accordance with

their terms. If this triggering event had occurred on September 30, 2021, Mr. Lahrman would have been entitled to receive US\$260,000.

In addition, if Mr. Lahrman is terminated for cause or by voluntary termination of Mr. Lahrman, Mr. Lahrman will not be entitled to any severance payment. If Mr. Lahrman is terminated due to disability or death, Mr. Lahrman will be entitled to his prorated annual bonus through to the date of termination, provided that Mr. Lahrman was on track to receive such bonus in the year. If the employment contract is terminated by the Corporation for any other reason, Mr. Lahrman will receive a severance payment equivalent to one-half his annual base salary prior to termination, plus one additional month severance for each year of service to a maximum total severance of nine (9) months. If such a triggering event had occurred on September 30, 2021, Mr. Lahrman would have been entitled to receive US\$130,000.

Director Compensation

In order to align the interests of the non-executive directors with the long-term interests of Shareholders, the Board, in consultation with the *Independence Committee*, determined that the most appropriate form of payment for the services of non-executive directors is through participation in the Stock Option Plan and Restricted Share Plan, as well as an annual cash retainer and fees for meeting attendance. The Board has adopted an internal policy that non-executive directors are granted stock options upon appointment as a director and are eligible for annual grants thereafter.

The following table sets out all amounts of compensation paid to the non-executive directors for their services as directors for the Corporation's most recently completed financial year. Directors who also served as executives of the Corporation received no additional consideration for acting as a director. See the "*Statement of Executive Compensation – Summary Compensation Table*" above for compensation disclosure for executives who are also members of the Board.

- (2) The Black-Scholes model is used as the methodology to calculate the grant date fair value for stock options and the Corporation relied on the following key assumptions and estimates for 2021: dividend yield 0.0%, expected stock price volatility 63%, risk-free interest rate 0.60% and expected life of 3.60 years.
- (3) The fees earned by Mr. Turpin and Mr. Cussatti are reported in Canadian dollars but were paid to them in U.S. dollars. The amounts reported for 2021 have been converted using an exchange rate of 1.2642 CAD/USD. The USD amounts have been converted using the Bank of Canada indicative rates for the fiscal year, and this method of conversion is consistent with the method used in the Corporation's annual financial statements.

(1) Calculated using the closing price of the Corporation’s Common Shares on the TSXV on September 30, 2021, of \$1.14 and subtracting the exercise price of the in-the-money stock options. These stock options have not been, and may never be, exercised and actual gains, if any, on exercise will depend on the value of the Corporation’s Common Shares on the date of exercise.

(2) The figures in this column are calculated using the closing price of the Common Shares on the TSXV on September 30, 2021, of \$1.14.

(3) This column reflects the value of RSRs for which restricted periods were scheduled to expire during 2021 where, in accordance with the terms of the plan, the recipient has irrevocably elected to postpone the expiry of the applicable restricted period and thus defer vesting and receipt of their entitlement to receive such RSRs (and accordingly, the underlying Common Shares) to a later date beyond September 30, 2021 as follows:

Ms. Mary Ritchie elected to defer receipt of an aggregate of 25,000 RSRs for which the restricted period was scheduled to expire in April 2021 until a date in April 2022.

Dr. Stewart Ritchie elected to defer receipt of an aggregate of 20,000 RSRs for which the restricted period was scheduled to expire in April 2021 until a date in April 2022.

Notes:

- (1) This amount is the dollar value that would have been realized if the stock options had been exercised on their respective vesting dates, computed by obtaining the difference between the market price of the underlying securities at exercise and the exercise or base price of the stock options under the option-based award on the vesting date.
- (2) This amount is the deemed dollar value realized by the director upon vesting of RSRs during 2021 (excluding any deferred awards), calculated by multiplying the number of underlying Common Shares received by the director by the closing price of the Common Shares on the TSXV on the date of issuance of such Common Shares. Please refer to footnote (3) to the "Outstanding Share-Based Awards and Option-Based Awards" table above for details of deferral elections by the directors during the financial year ended September 30, 2021.

Audit Committee Oversight

At no time since the commencement of the Corporation’s most recently completed financial year was a recommendation of the *Audit Committee* to nominate or compensate an external auditor not adopted by the Board of Directors.

Reliance on Certain Exemptions

At no time since the commencement of the Corporation’s most recently completed financial year has the Corporation relied on any exemption from NI 52-110 other than the exemption available in Section 6.1 from the requirements of Part 5 (Reporting Obligations) of NI 52-110, as the Corporation is a venture issuer.

Pre-Approval Policies and Procedures

The Charter sets out responsibilities regarding the provision of non-audit services by the Corporation’s external auditors. This policy encourages consideration of whether the provision of services other than audit services is compatible with maintaining the auditor’s independence and all non-audit related services require *Audit Committee* pre-approval.

The aggregate fees billed by the Corporation’s external auditors in each of the last two fiscal years for audit fees are as follows:

CORPORATE GOVERNANCE DISCLOSURE

Board of Directors

As of the date of this Circular, the Board of Directors of the Corporation consists of seven (7) directors, five (5) of whom are considered to be independent. Mary C. Ritchie, Dr. Stewart Ritchie, Stephen Sanford, Patrick Turpin and Pablo Cussatti are independent. Mr. Charleton is not independent because he is the CEO of the Corporation. Mr. Budreski is not independent as he is the Executive Chairman of the Corporation. The independent status of each individual director is reviewed annually by the Board. The Board considers a director to be independent if he has no direct or indirect material relationship with the Corporation which, in the view of the Board, could reasonably be perceived to materially interfere with the exercise of the director's independent judgment.

The Board examines its size annually to determine whether the number of directors is appropriate while providing a diversity of views and experience and maintaining efficiency. The Board believes that its composition fairly represents the interests of Shareholders, however, the Board considers potential nominees to the Board of Directors from time to time in order to enhance diversity of views and experience relevant to the industry in which it operates while maintaining efficiency.

The Board has established two (2) committees of its directors, being the *Audit Committee* (comprised of Ms. Mary C. Ritchie (Chair), Dr. Stewart Ritchie and Mr. Stephen Sanford) and the *Independence Committee* (comprised of Mr. Stephen Sanford (Chair), Dr. Stewart Ritchie, Ms. Mary Ritchie, Mr. Patrick Turpin and Mr. Pablo Cussatti).

Role of the Board

The duties and responsibilities of the Board of Directors are to supervise the management of the business and affairs of the Corporation and to act with a view towards the best interests of the Corporation. The Board is responsible for the oversight and review of the development of, among other things, the following matters:

- the strategic planning process of the Corporation;
- an annual strategic plan for the Corporation which takes into consideration, among other things, the risks and opportunities of the Corporation's business;
- identifying the principal risks of the Corporation's business and ensuring the implementation of appropriate systems to manage these risks;
- annual capital and operating budgets which support the Corporation's ability to meet its strategic objectives;
- material acquisitions and divestitures;
- succession planning, including appointing, training and monitoring the development of senior management;
- a communications policy for the Corporation to facilitate communications with investors and other interested parties;
- a reporting system which accurately measures the Corporation's performance against its business plan; and
- the integrity of the Corporation's internal control and management information systems.

The operations of the Corporation do not support a large Board and the Board of Directors has determined that the current constitution of the Board is appropriate for the Corporation's current stage of development. Independent supervision of management is accomplished through choosing management who demonstrate a high level of integrity and ability and having strong independent Board members. The independent directors are able to meet at any time without any members of management including the non-independent directors being present. Further supervision is performed through the *Audit Committee*. The Board of Directors has not adopted a formal mandate.

Participation of Directors in Other Reporting Issuers

The participation of the directors in other reporting issuers is described below under "*Election of Directors – Other Directorships*" in this Circular. The Board of Directors has determined that the simultaneous service of some of its directors on other boards and board committees does not impair the ability of such directors to effectively serve on the Board of Directors and committees, having regard to their qualifications, attendance and contribution as members of the Board of Directors and committees.

Orientation and Continuing Education

The Corporation does not have a formal orientation/training program in place for its new directors. Instead, the Corporation has adopted a tailored approach depending on the particular needs and focus of the director being appointed. When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Corporation's businesses, technology and industry. Board members are encouraged to communicate with management, auditors and technical consultants; to keep themselves current on industry trends and developments and changes in legislation with management's assistance; and to attend related industry seminars and visit the Corporation's operations. Board meetings may also include presentations by the Corporation's management and employees to provide the directors additional insight into the Corporation's businesses.

Directors are expected to attend all scheduled Board and committee meetings in person, although attendance by telephone is permissible. Directors are also expected to prepare thoroughly in advance of each meeting, and to stay for the entire meeting, in order to actively participate in the Board's deliberations and decisions. If there are unforeseen circumstances and a director is unable to attend a meeting, he/she is expected to contact the Chairman/CEO or the Corporate Secretary of the Corporation as soon as possible after the meeting for a briefing on the substantive elements of the meeting.

Nomination of Directors

The nomination of directors is undertaken by the *Independence Committee* whose members are currently Mr. Sanford, Ms. Mary Ritchie, Dr. Stewart Ritchie, Mr. Turpin and Mr. Cussatti. One of the roles of the *Independence Committee* is to evaluate and recommend persons as nominees for the position as a director of the Corporation and to review on an annual basis the qualifications and willingness of the current directors to devote the necessary time and energy to fulfil the duties and responsibilities of a director. The Board of Directors considers its size each year when it considers the number of directors to recommend to the Shareholders for election at the annual meeting of Shareholders, taking into account the number of directors required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

Compensation of Directors and Officers

Compensation matters are one of the roles of the *Independence Committee*, the members of whom are detailed above. The *Independence Committee* formulates and makes recommendations to the Board of Directors in respect of compensation relating to the directors, executive officers and other officers of the Corporation. Please refer to the discussions and tables contained within the "*Statement of Executive Compensation*" section of this Circular for detailed information concerning compensation of the Corporation's NEOs and directors.

Ethical Business Conduct

The Board views good corporate governance as an integral component to the success of the Corporation and to meet its responsibilities to the Shareholders. On December 15, 2016, the Board adopted a *Code of Business Conduct and Ethics* (the “**Code**”) and has instructed its management and employees to abide by the Code. The Board intends that it will review compliance with the Code on an annual basis until the Corporation has grown to a size which warrants more frequent monitoring. A copy of the Code is posted on SEDAR at www.sedar.com.

The Board encourages and promotes an overall culture of ethical business conduct by promoting compliance with applicable laws, rules and regulations; providing guidance to directors, officers and employees to assist them in recognizing and dealing with ethical issues, promoting a culture of open communication, honesty and accountability; promoting a safe work environment; and ensuring awareness of disciplinary action for violations of ethical business conduct. In addition, the Board, through its meetings with management and other informal discussions with management, encourages a culture of ethical business conduct and believes the Corporation’s high caliber management team promotes a culture of ethical business conduct throughout the Corporation’s operations and is expected to monitor the activities of the Corporation’s employees, consultants and agents in that regard.

It is a requirement of applicable corporate law that directors and senior officers who have an interest in a transaction or agreement with the Corporation promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and, in the case of directors, abstain from discussions and voting in respect of the same if the interest is material. To date, the Corporation has not been required to file a material change report relating to a departure from the Code by any of its directors or executive officers.

Whistleblower Policy

The Corporation has adopted a *Whistleblower Policy* which permits its employees who feel that a violation of the Code has occurred, or who have concerns regarding accounting, audit, internal controls, financial reporting or ethical matters, to report such violation or concerns on a confidential and anonymous basis. Such reporting may be made by e-mail, in writing or by telephone to the Corporation’s 24-hour whistleblower hotline. Once received, complaints are provided to the *Audit Committee* for investigation and, if necessary, appropriate corrective action.

Workplace Bullying and Harassment Policy

The Corporation is committed to creating and maintaining a workplace environment which fosters mutual respect, integrity and professional conduct. In keeping with this commitment, the Corporation has adopted a *Workplace Bullying and Harassment Policy* and a set of related reporting/investigation procedures for all directors, officers and employees relating to this issue. This policy articulates the Corporation’s position of non-tolerance with respect to bullying or harassment in the workplace.

Communications and Corporate Disclosure Policy

The Corporation has adopted a *Communications and Corporate Disclosure Policy* which is intended to assist the Corporation in fulfilling its obligations to ensure that all information relevant and material to the Shareholders and the market is disclosed in a timely manner, while protecting the Corporation’s commercially sensitive information.

Diversity Policy

The Corporation is committed to creating and maintaining a culture of workplace diversity. In keeping with this commitment, the Corporation has adopted a *Diversity Policy* which sets out the guidelines by which the Corporation will endeavour to establish and maintain diversity throughout the Corporation, including at the Board level, and applies to executive and non-executive directors, full-time, part-time and casual

employees, contractors, and consultants of the Corporation. The Corporation will benefit from employee and Board diversity, including a broader pool of high-quality employees, improving employee retention, accessing different perspectives and ideas and benefiting from all available talent.

Management of the Corporation will promote a work environment that values and utilizes the contributions of women and men, equally, with a variety of backgrounds, experiences and perspectives. The Board will consider diversity in the selection criteria of new Board members and senior executive officer appointments. The Board monitors the effectiveness of the *Diversity Policy* through ongoing discussions with management and review of diversity within the Corporation at both the Board and employee level.

Diversity Disclosure Prescribed Pursuant to the *Canada Business Corporations Act* (the "CBCA")

Board of Directors

The Corporation has not adopted a written policy specifically relating to the identification and nomination of directors from the four designated "Diversity Groups" (which include women, Indigenous peoples, persons with disabilities and members of visible minorities) nor does the Board or the *Independence Committee* consider the level of representation of Diversity Groups on the Board when nominating candidates for election to the Board, or the level of representation of Diversity Groups in its senior management when appointing members to its senior management team.

The Board and *Independence Committee* evaluate potential nominees to the Board by reviewing the qualifications of the nominee, irrespective of whether the nominee falls under the designated Diversity Groups, and determines their appropriateness by taking into consideration the then current Board composition and the anticipated skills required to round out the capabilities of the Board.

However, the Corporation values diversity, including, without limitation, diversity of experience, perspective, education, race, gender and national origin as part of its overall business strategy.

The Corporation has not adopted a target regarding Diversity Groups on its Board and in its senior management. The Corporation considers candidates based on their qualifications, personal qualities, business background and experience, and does not feel that targets necessarily result in the identification or selection of the best candidates.

Currently, the Corporation has one female director representing approximately 14% of the Board.
Senior Management

In nominating candidates to positions as members of the senior management team, the Corporation does not take into account the representation of Diversity Groups in the senior management team. The Corporation's objective is to identify the person who best possesses the skills required for each senior officer position, regardless of whether the nominee falls under the four designated Diversity Groups. However, the Corporation values diversity, including, without limitation, diversity of experience, perspective, education, race, gender and national origin as part of its overall business strategy.

As of the date of this Circular, no individual from the designated Diversity Groups held any executive officer positions within the Corporation. However, the Corporation has several women in various positions in senior roles throughout the organization.

Term Limits

The Corporation has not adopted term limits for the directors of the Board or other mechanisms of Board renewal because the term limits and other mechanisms reduce continuity and experience on the Board, and force valuable, experienced and knowledgeable directors to leave. The Corporation regularly assesses Board members' effectiveness and annual elections are considered sufficient.

Policy on Stock Trading and Use of Material Information

The Corporation has adopted a *Policy on Stock Trading and Use of Material Information*. Canadian and United States securities laws prohibit “insider trading” and impose restrictions on trading securities while in possession of material undisclosed information. The rules and procedures implemented in the Corporation’s *Policy on Stock Trading and Use of Material Information* have been implemented in order to prevent improper trading of the Corporation’s securities or of companies with which the Corporation (or one or more of its subsidiaries) has a significant business relationship or with which the Corporation (or one or more of its subsidiaries) is proposing to enter into a business transaction. The *Policy on Stock Trading and Use of Material Information* is intended to ensure that the directors, officers and employees of the Corporation and its subsidiaries act, and are perceived to act, in accordance with applicable laws.

Assessments

The Board of Directors does not consider that formal assessments would be useful at this stage of the Corporation’s development. The Board of Directors conducts informal annual assessments of the Board’s effectiveness, the individual directors and its two committees. To assist in its review, the Board of Directors conducts informal surveys of its directors and receives a report from the *Audit Committee* respecting its own effectiveness. As part of the assessments, the Board of Directors and its two committees may review their respective roles/charters and conduct reviews of applicable corporate policies.

Advance Notice Requirements

By-Law No. 2 of the Corporation (the “**Advance Notice By-Law**”), which was originally passed by the Board of Directors on February 7, 2014 and confirmed by Shareholders on February 28, 2014, includes advance notice provisions (the “**Advance Notice Provisions**”) relating to the nomination of directors. Pursuant to the Advance Notice Provisions, such notice must be delivered prior to the Meeting and in accordance with the timelines and other requirements set forth in the Advance Notice By-Law and in writing and proper form to the Corporation at its chief executive offices, Attention: Secretary. No nominations were received from the Shareholders for consideration at the Meeting. Additional information regarding the Advance Notice By-Law can be found in the Corporation’s management information circular dated February 4, 2014, a copy of which is available on SEDAR at www.sedar.com.
